Job Descriptions

Nursery Nurse/Practitioner/Room Leader

Rosy Day Nursery, Crawley, is one of the providers of child care in the UK. We have caring, loving and secure environment for children and staffs. In Rosy Day Nursery, we use a blend of the latest technology and traditional values to insure children are given the best opportunity to develop in today's modern world.

Due to rapid growth of our nursery, there is an ongoing re-structuring and enlarging opportunities; thus, we are looking for Nursery Nurses/Practitioners. Nursery Practitioners are responsible initially to the Room Leader, the Nursery Manager and in their absence to the named individual as per management structure of the nursery.

Benefits of being our Nursery Nurse/Practitioner:

Here at Rosy Day Nursery, Crawley, we believe our **staff** are our **greatest asset** to becoming one of the best childcare providers in town! We believe by **nurturing** and **supporting** our staff to grow, in our **family fun** nursery, to become the best they can, providing fun, **stimulating** activities for our children and coming up with **innovative** ways to develop children's learning and development.

We develop our staff **confidence** through our induction process to ensure you know all about **Rosy Day Nursery, Crawley** and how to support the children in our care and the families we work with.

What we can offer you:

- In house training and induction
- Local training opportunities
- Uniform provided
- Career progression opportunities
- Family feel nursery
- Supportive team
- Regular supervisions and development opportunities
- Staff team building events
- Competitive salary*
- Term time only opportunities

We believe this is a great opportunity to develop your career and give you full job satisfaction!
